Comfort. Reliability. Value.

Make the most of every call. The EncorePro 300 Series, contact center headsets, are good for workers, callers, and your bottom line. Long-lasting comfort. Total reliability. Noise canceling so customers hear clearly. And exceptional value.

Get top quality audio

Give your teams and customers the quality audio you expect from Poly, with a flexible noise-canceling microphone to tune out background buzz and chatty neighbors.

Make conversations clear

Better understanding leads to better outcomes, and happier customers. That's why we use voice-optimized frequency response to make conversations clearer – and more accurate.

Featuring

Flexible microphone boom

Give your teams and customers quality audio with a flexible noise-canceling microphone.

Acoustic protection

SoundGuard acoustic limiting technology is used to protect against Acoustic Shock by limiting sounds to below 118dBA.

Poly Quick Disconnect (QD)

Enable your flexible workforce with the features they need and use every day, like Poly Quick Disconnect (QD).

Voice-optimized frequency

Create clearer and better conversations with voice-optimized frequency response.

Fold flat earpieces

Help agents stay responsive and comfortable with ear cushions that fold flat and around-the-neck placement between calls.
