

Poly Studio E70 Smart Camera

*Product image may differ from actual product

As good as being together

The Poly Studio E70 is an intelligent camera that brings clear video quality, and advanced analytics to meeting rooms. Dual cameras are boosted by Poly DirectorAI technology to create a vibrant video experience.

Crystal clear video

Experience lifelike clarity in your large meeting rooms with an intelligently built camera made for hybrid working environments.

Intelligent camera technology

With Poly DirectorAI, choose between group, people or speaker framing modes to create the most equitable experience for your meetings.

Featuring

Dual camera with 4K sensors

Dual camera with 20-megapixel 4K sensors creates a vibrant video experience.

AI-driven camera array

Pinpoint-accurate speaker tracking and professional-quality group framing from Poly DirectorAI technology.

Privacy shutter

Added security with motorized, integrated electronic privacy shutter.

Easy management via Poly Lens

Deploy from anywhere via remote management with Poly Lens.

Communications platforms

Streamlined deployments - connects easily to Microsoft Teams Rooms on Windows, Zoom Rooms on Windows and Poly G7500.
